

BORN 1808  REBORN 2012

A PREMIUM VINTAGE BLEND OF SUPERIOR AGED WHISKEYS FINISHED IN THREE OF THE FINEST CASKS

TASTING NOTES

Nose: Very gentle, floral, sweet and juicy. Orchard fruits intertwined with nutty caramel, nougat and all the while those wonderful butterscotch overtones.

Taste: The initial sweetness from the malt gives way to light citrus fruits, orange, lemon, green apples, pepper and clove. The wood spice and lovely oak tannins then begin to firm this whiskey up before the sherry influence from those oloroso casks comes in to take the final curtain.

Finish: This is a vibrant, juicy blend, with a lot more going on than one might expect. Those orchard fruits and caramels give way as subtle notes of walnut, nougat, vanilla and dried fruits come through in the soft lingering finish.
