THE AWARD-WINNING BEVERAGE THAT WINS OVER CUSTOMERS.

Long Drink Traditional Citrus is the beverage that made Long Drink a staple of Finnish culture. Made with refreshing all-natural citrus with a premium liquor kick, Long Drink stands out with its authentic recipe and delightfully different flavor experience. There's no fermented sugars like seltzers and no full feeling like beer—just a refreshing beverage packed with flavor, and unmatched drinkability. It's perfect for a variety of occasions throughout the year that helps drive sales all year long.
