Roberto Gómez Bolaños 'Chespírito'

Roberto Gómez Bolívar, Grandson of Chespírito  
Carlos Soto, Founder of Nosotros Tequila & Mezcal

"The last time I saw my grandfather was on March twenty third, two thousand fourteen, at his home in Cancun. It was just the two of us, watching a football match.

With tequila in hand, we shared stories about football, life, and time itself. The match was so captivating that we watched it again, pouring ourselves another round of tequila. It was a time filled with laughter and bonding. As the match ended for the second time, we raised our glasses and said 'salud' to each other, one last time."
