PICA PIÑA

Fresh pineapple meets a sweet-spicy chamoy swirl for a tropical, tangy hit of sunshine. Fizzy, crisp, and purely delicious.

WILD PALOMA

Bright grapefruit and citrus come alive with a kiss of chamoy. Tart, refreshing, and perfectly balanced.

CHILI MANGO

Ripe mango with a spark of chili and a pinch of salt. Fizzy, smooth, and a little *picante*—just like fruit straight from the cart.

SANDIA LOCA

Juicy watermelon meets a chamoy kick and a dash of chili. A salted finish for a tasty, and fizzy experience.

WHAT TYPE OF ALCOHOL IS IN CHILLITAS

4 months ago · Updated

Chillitas is a malt based product, made with malted barley, hops, sugar, and yeast. Chillitas do not contain spirits.
