HAZY DOUBLE IPA

Stone /// Fear.Movie.Lions Hazy Double IPA is an 8.5% blend of cross-country styles. It's got the bitter hoppy backbone you'd expect from a West Coast IPA, with a slight haze and massive aroma you'd typically find in an East Coast style IPA.

Keeping the geography theme going, it gets its name from what 3 words, a global positioning system that assigns three words to every three-meter square on the globe. Look up ///fear.movie.lions and it'll lead you to Stone Brewing, Richmond - our East Coast home in Virginia where the beer was first released!
