

KEEPER'S HEART

AMERICAN POT STILL WHISKEY

A BOLD NEW CHAPTER IN AMERICAN WHISKEY:

Introducing a landmark moment in the evolution of Keeper's Heart with Brian Nation's first 100% American made whiskey crafted in the quintessential Irish style and aged in virgin american oak.

PROPOSITION:

Keeper's Heart launches American Triple Pot Distilled Whiskey. Inspired by the centuries-old Irish triple pot distillation tradition, reimagined for the bold, rich character of American whiskey, this expression delivers unmatched smoothness and layered complexity.

WHAT IS POT STILL WHISKEY

Pot Still Whiskey is the traditional style of Irish whiskey made from a mash of both malted and unmalted barley, triple distilled in copper pot stills. This method creates a full-bodied spirit with a distinctive character that reflects centuries of Irish craftsmanship.

WHAT MAKES IT UNIQUE

TASTING NOTES

Nose: Warm spices, honey, and dried fruit.
Palate: Creamy texture with layers of caramel, malt, and a hint of citrus.
Finish: Long and smooth with subtle oak and spice.
