

LOT 2

SAUVIGNON BLANC

MARLBOROUGH,
NEW ZEALAND

Mouthwatering, crisp, zesty and bursting with expressive citrus, it's no wonder this wine has been one of our best-sellers since the beginning. If you're looking for classic New Zealand Sauvignon Blanc, look no further than Lot 2.

VARIETAL & REGION

With long sunshine hours, a cooling maritime influence and ancient free-draining stony soils, Marlborough provides the perfect home for Sauvignon Blanc. Crafted from sustainably farmed grapes, this wine comes from vineyards in the Awatere and Upper Wairau sub-regions. Grapes are crushed, de-stemmed and fermented at cool temperatures in stainless steel to deliver a boundlessly fresh and racy appeal.
