BLUE WEBER AGAVE VODKA

First Vodka Made From 100% Blue Weber Agave.

As long as it reaches 190 proof in the distillation process, vodka can be made from most anything. But that doesn't make it great. Weber Ranch is made from the finest and most expensive ingredients.

Hand-harvested Blue Weber Agave

7 YEARS — Average 7 years to mature vs wheat, corn or potato which takes a few months

First and only verified additive-free Vodka

Crafted in the USA.

We hand select and distill 100% Blue Weber Agave in Jalisco, Mexico, before importing to the Weber Ranch Distillery in Muenster, Texas, where we further distill in our bespoke copper pot and column stills, then combine with water from the local Trinity Aquifer before filtered and bottled.
