# RIESLING

Mosel, Germany

LOT 66

*“A refreshingly juicy, off-dry style Riesling from the heart of Riesling country”*

**Vintage:** 2016

**UPC:** 8-9465500186-0

**Vineyards & Winemaking:** The grapes are picked from vines grown in predominantly slate soils on steep slopes throughout the Mosel Saar Ruwer valleys. Fermentation occurs in stainless steel, resulting in a crisp, off-dry style Riesling.

**Taste:** Fragrant aromas of white peach, nectarine and Bosc pear backed by pastoral scents of hay or straw. The wine is slightly sweet and refreshingly juicy.

**Notes:** The Mosel River winds its way northeast from the Vosges mountains of France until it joins Germany’s Rhine. Above this twisting waterway is a magnificent patchwork of vineyards and ancient castles that cling to steep, verdant hillsides. In this fairy tale land the world’s best Riesling is made.

**JUICY | WHITE PEACH | OFF-DRY**

**ALWAYS A  
GREAT WINE**
