

Kerrygold Aged Cheddar

FEATURES

Rich, rounded flavor, distinctive creamy taste and firm, smooth body

Made with milk from grass-fed cows

No added growth hormones or antibiotics

Clean ingredient deck (pasteurized milk, salt, cheese cultures, enzymes)

BENEFITS

Kerrygold Aged Cheddar appeals to those looking for a milder taste while keeping a full flavor profile. The creamy consistency of Aged Cheddar makes it ideal for both snacking and cooking.

Our milk is rich in beta-carotene, giving Aged Cheddar its rich, natural, golden color and creamy texture

The ingredients used to make Kerrygold butter and cheeses are all natural, and are trusted by our consumers

Aged Cheddar is a healthy snack and a good source of protein, with a protein daily value of 15%, and it's gluten free

Pairs with Merlot, Shiraz, Irish Stout
