

Chardonnay

TASTES & DELIGHTS

Welcome the warm days of spring or the crisp days of fall with Barefoot Chardonnay wine! Our Chardonnay is dripping with honeyed peach and Fuji apple, and it's as smooth and golden as... gold. Our Chardonnay wine is medium-bodied with the best sweet vanilla aroma. Yum!

PERFECT PARTNERS

This wine always has a good time with fresh fruits, white sauce pasta and some light seafood. Don't be afraid to mix and match this Chardonnay with chicken and salmon dishes! What do you enjoy Chardonnay wine with best?
