

# BROKEN EARTH WINERY

## 2015 Broken Earth Limited Release *Grenache Rosé*

GRENACHE ROSÉ - Rosé, as a wine, has made many appearances over the years and each time it offers a different expression of the style. This wine offers the obvious berry fruit characters that Rosé is known for but it carries a more sophisticated, intricate palate.

The parcel of fruit is specifically chosen for Rosé production so it must possess fresh fruit, interesting and evolving flavours, in addition to bright and balancing acid. The grapes are hand harvested and crushed to tank and the skin contact is continually monitored until the right balance of colour and firmness is achieved. A portion of the juice is then removed from the skins (referred to as saignée) and fermented similar to white wines. The smell of the ferment is amazing, it shows amazing perfumed fruit that permeated the winery buildings.

This wine has an array of delicate red berry fruit characters that flow through the palate and meld beautifully with the balancing bright acidity. This is especially important when the wine is fully chilled. Enjoy!

### *Awards*

BRONZE - Central Coast Wine  
Competition
