Selected Vineyards

2010 MERLOT

SELECTED VINEYARDS, CENTRAL COAST

VINEYARD NOTES

Our Selected Vineyards wines are well-loved varieties from select Central Coast vineyards and represent remarkable value. California's Central Coast offers unmatched blending diversity from its multitude of microclimates. Cool region grapes contribute distinctive fresh fruit nuances and warm region grapes add depth of flavor and complexity. These highly acclaimed wines take no shortcuts and are easily worth twice their modest price.

WINEMAKER NOTES

The 2010 Merlot, Selected Vineyards is an elegantly textured wine. Luscious and full bodied this wine is smooth. It displays supple tannis and flavors of red cherries and a hint of cocoa and espresso that lead to a full finish.
