2011 PINOT GRIGIO

SELECTED VINEYARDS, CENTRAL COAST

VINEYARD NOTES

Our Selected Vineyards wines are well-loved varieties from select Central Coast vineyards and represent remarkable value. California's Central Coast offers unmatched blending diversity from its multitude of microclimates. Cool region grapes contribute distinctive fresh fruit nuances and warm region grapes add depth of flavor and complexity. These highly acclaimed wines take no shortcuts and are easily worth twice their modest price.

WINEMAKER NOTES

The 2011 Pinot Grigio, Selected Vineyards is a crisp and refreshing, full-flavored wine. A suggestion of sweetness in the nose rounds out this wine's bright, deeply fruity character. Aromas of tropical fruit, peach, pear and lemon zest lead to rich mineral notes and a clean finish.

SUGGESTED PAIRINGS

Pan-fried crab cakes or herb-crusted roasted pork tenderloin.
