## 2010 PINOT NOIR

SELECTED VINEYARDS, CENTRAL COAST

### VINEYARD NOTES

Our Selected Vineyards wines are well-loved varieties from select Central Coast vineyards and represent remarkable value. California's Central Coast offers unmatched blending diversity from its multitude of microclimates. Cool region grapes contribute distinctive fresh fruit nuances and warm region grapes add depth of flavor and complexity. These highly acclaimed wines take no shortcuts and are easily worth twice their modest price.

### WINEMAKER NOTES

The 2010 Pinot Noir, Selected Vineyards is rich in both color and fragrance. With aromas of raspberry and ripe strawberry, this medium-bodied wine is very food-friendly. Balanced by warm spice accents of cloves and cinnamon, the bright red fruit flavors finish round and smooth.

### SUGGESTED PAIRINGS

Lobster Bisque, beet and endive salad, or smoked duck breast.
