### SERVING SUGGESTIONS

Enjoy with flavorful appetizers, cheeses and spicy dishes. Wonderful with fruit and chocolate.

**VINEYARDS:** Cavit Moscato grapes are harvested along the right bank of the Po River in southwestern Lombardy in the province of Pavia, Italy. Here, the landscape of steeply rolling hills comprises limestone and clay-based soil, well-suited to the cultivation of vines.

**WINEMAKING:** Cavit Moscato benefits from cold fermentation, including brief skin contact, and is refined in stainless steel tanks, with early bottling to maintain its naturally fresh bouquet.

**ALCOHOL:** 7.5%
