Moscato D' Asti

CUPCAKE VINEYARDS MOSCATO D'ASTI

VINTAGE: 2014

APPELLATION: Italy

Any occasion can be worthy of a toast with our Moscato D'Asti. Vibrant and expressive with dominant floral notes and hints of bright fruit flavors including peach, tropical fruits and lychee. This wine is soft and luscious with just a hint of fine effervescence and sweetness.

The town of Asti, Italy and the area surrounding it is home to the hillside vineyards that grow the fragrant and delicious Moscato grapes that we use for our Moscato D' Asti. The grapes are delivered, the clusters are pressed and the juice is clarified immediately to maintain its complex aroma. The wine is then cool fermented in stainless steel tanks to draw out its full flavor and character. Moscato D' Asti is one of the few wines that actually tastes like the grapes do in the vineyard. So enjoy a glass and let the flavors transport you to the beautiful vineyards in Asti.

This wine is enjoyable with freshly cut fruit, mixed berries with crème fraiche or a raspberry tart.
