

## 2011 DEAD BOLT Winemaker's Red Blend

An intriguing red for people who make their own rules.

**VISION:** “Blending is the art of combining individual wines that complement each other in order to create a complete wine that’s better, more attractive, more complex.” - *The vision of winemakers Leon Deans and Philip Laffer*

There are no rules, no recipes, no boundaries.

Only a winemaker’s philosophy and experience.  
And vision.

**BLEND:** California appellation.

The elegance, length and viscosity of Cabernet Sauvignon and Merlot masterfully blended with the strength and varietal power of Zinfandel, Petit Syrah and Shiraz.

A proprietary Winemaker’s Blend that’s kept under lock and key.

**SEE:** Deep ruby with a glint of purple.

**SMELL:** Rich ripe plum. Lots of spice and dark berries.

**TASTE:** Dark fruit, brown spice, chocolate.  
All you’d want in a glass of red.

**FEEL:** Smooth. Full. Satisfying.

Full and round with rich fruit flavors and a velvety clean-cut finish, DEAD BOLT showcases what California winemaking is all about:

**Powerful Satisfaction.**
