# Cristal

Unlike most clear rums, Don Q uses a multiple distillation system to produce a cleaner, more refined, and more delicate flavor profile. So a Don Q drink will sip smoother than a drink made with another rum. So smooth, in fact, that you can substitute Cristal in a vodka drink, and most won't be able to tell the difference. It's then aged for 1 1/2 to 5 years in American White Oak barrels to impart a touch more smoothness. Try it. You'll see.
