# ONE OF THE WORLD'S MOST AWARDED RUMS FLOR DE CAÑA 7 GRAN RESERVA

## WHAT IS FLOR DE CAÑA?

Flor de Caña or "Flower Of The Cane", is one of the world's great 'Single Estate' rum brands, first produced in Nicaragua in 1890 and now distributed in over forty countries worldwide. It is the leading brand of rum sold throughout Central America and has experienced double digit growth in new markets over the past ten years. It is produced using only natural ingredients, distilled five times for clarity and alcohol purity, Slow-Aged™ in charred, American white oak barrels previously used to mature American Bourbon Whiskies and bottled exclusively in Chichigalpa, Nicaragua.

## WHAT MAKES FLOR DE CAÑA UNIQUE?

Flor de Caña rum is produced using a time-honored tradition and recipe, passed down through five generations of The Pellas Family - a recipe and a tradition that has resulted in Flor de Caña receiving over 100 International awards for quality and flavor.

## A COMPLETE PORTFOLIO

The diversity of Flor de Caña's portfolio offers rum consumers a variety of award winning rums, each with its own smooth taste and flavor profile.

## WHAT DOES THE TERM SLOW-AGED MEAN?

The term Slow-Aged™ characterizes the natural, undisturbed aging methods used to produce all Flor de Caña rums. The natural temperature, ventilation and duration of this unique process ensure that no excessive flavors or aromas are added to the final product.

## DRINK STRATEGY

On the rocks, with a splash of cola, soda or water. The Grand Mojito is a favorite.

## TASTING NOTES

**COLOR:** Mahogany.

**PALATE:** Full-bodied. Leads with a smooth, round mouthfeel, followed by flavors of dark caramel and toasted nuts. Finishes in a long fade of toasted coconut and a hint of vanilla and spice.

## AWARDS & ACCOLADES

2013 Gold Medal Congreso Internacional de Madrid  
"Superb, Highly Recommended" by F. Paul Pacult

"Among the key performers in the range is Flor de Caña Grand Reserve, a 7 - year - old rum that deserves its global reputation for excellence. It has a dark amber, mahogany hue, a voluptuous body and a generous, semi-sweet bouquet of vanilla, caramel and molasses. The aromatics alone are worth the price of admission"  
- American Cocktails, Robert Plotkin - January 2011
