

FETZER®

2011 CHARDONNAY

OUR PHILOSOPHY

At Fetzer, we are not only committed to making great wines, but we do so in a sustainable and responsible way. As a leader in sustainable winemaking since 1986, we integrate sustainable practices throughout our entire winemaking operations including the energy we use, the materials we buy and the investment we make in our wineries, employees and our communities. We do this not only because we know it makes better wines, but because we believe it's the right way to do business.

NOTES ON THE WINE

Our Chardonnay is a crisp, clean wine with a fruit forward style and layers of flavor. Bright and golden straw in color, there are tropical aromas of pineapple, banana and honeydew with notes of vanilla, lemongrass, hazelnut and clove. This crisp, medium-bodied wine has flavors of citrus, baked apples, melon and pear with a wonderfully lingering finish.
