

FETZER®

2011 SAUVIGNON BLANC

OUR PHILOSOPHY

At Fetzer, we are not only committed to making great wines, but we do so in a sustainable and responsible way. As a leader in sustainable winemaking since 1986, we integrate sustainable practices throughout our entire winemaking operations including the energy we use, the materials we buy and the investment we make in our wineries, employees and our communities. We do this not only because we know it makes better wines, but because we believe it's the right way to do business.

NOTES ON THE WINE

This Sauvignon Blanc has the traditional aromas of cut grass followed by melon, orange, pear and apricot with tropical notes of passion fruit and mango. Jasmine and other floral aromas add interest to the wine. The balanced acids give this wine a wonderful mouth-feel, with the predominant flavor of grapefruit.
