## 2010 CABERNET SAUVIGNON

### OUR PHILOSOPHY

At Fetzer, we are not only committed to making great wines, but we do so in a sustainable and responsible way. As a leader in sustainable winemaking since 1986, we integrate sustainable practices throughout our entire winemaking operations including the energy we use, the materials we buy and the investment we make in our wineries, employees and our communities. We do this not only because we know it makes better wines, but because we believe it's the right way to do business.

### NOTES ON THE WINE

This Cabernet Sauvignon is complex with various layers of spice and flavors. On the nose you will find enticing aromas of black cherry, blackberry and vanilla with evident spice from the oak and a hint of herbs. Tasting delivers a multi-layered wine with texture of ripe blackberry, mocha, toffee and vanilla. Medium-firm tannins provide structure and balance to this medium bodied Cabernet Sauvignon, which will continue to evolve in the bottle.
