## 2010 MERLOT

### OUR PHILOSOPHY

At Fetzer, we are not only committed to making great wines, but we do so in a sustainable and responsible way. As a leader in sustainable winemaking since 1986, we integrate sustainable practices throughout our entire winemaking operations including the energy we use, the materials we buy and the investment we make in our wineries, employees and our communities. We do this not only because we know it makes better wines, but because we believe it's the right way to do business.

### NOTES ON THE WINE

This Merlot has a deep, rich, ruby color. Warm cherry aromas are accented with notes of mocha, red licorice, sage and toffee. Soft, round tannins make this wine easy to drink with flavors of black cherries and plums, balanced with caramel and toffee.
