

Jameson Caskmates IPA

We had a hunch that a zesty IPA would be the perfect partner for our whiskey, so we loaned barrels to our drinking buddies to make a Jameson-seasoned IPA. The beer-soaked barrels returned to the distillery full of new crisp, hoppy notes. We re-filled them with Jameson, and the wait began. Our signature smoothness is still there, but now thanks to the IPA it'll be rubbing shoulders light hints of hops, fresh citrus and floral notes.

Nose: Floral, herbal hops, grapefruit citrus notes with subtle orchard fruits, complemented by wood shavings and a little nuttiness.

Taste: Hops and light citrus with sweet herbal notes and delicate spicy tones.

Finish: The lingering fresh fruit and hops give way to grains of barley and a signature smooth finish.
