

# Just Peachy

FRANCE

PEACH INFUSED SPARKLING WINE

*A Wonderfully refreshing & all natural sparkling wine*

The result of pressing this grape is a clear wine with golden highlights that glistens delicately in your glass. The infused natural peach creates an aroma of mature peach fruit on the nose and a subtle elegance on the palate. It is a perfect blend of peach flavor, effervescence, and just the right amount of sweetness.

*Produced in Provence, France*
