STUNNING DIMENSIONAL DISPLAYS

Like our 7 Moons red blend, these displays are showstoppers. High-quality materials and finishing, including shimmering Mylar extruded details, will draw shoppers into the moonlight.

On August 21, 2017, millions of people across the United States will see nature's most wondrous spectacle — a total eclipse of the Sun. It is a scene of unimaginable beauty; the Moon completely blocks the Sun, daytime becomes a deep twilight, and the Sun's corona shimmers in the darkened sky. This is your guide to understand, prepare for, and view this beautiful celestial event.
