

Ménéage à Trois

MERLOT
2014

Varietal Information

California Merlot

Wine Attitude

Here at Ménéage à Trois, we've been known to play the field, or rather, the vineyard. We aren't the types to commit to any one particular wine, but we must confess that we've fallen deeply, madly and passionately in love with our Merlot. We're crazy about the pretty perfume that wafts from the glass, the sumptuous, rich fruit flavors that caress the palate, and the long, velvety finish that lingers, waiting to see what happens next. This relationship could definitely get serious.

Vineyard and Winemaking

When it comes to romancing the grape, our winemakers are extraordinarily skilled matchmakers. For our Merlot, they mingled grapes from premier vineyards in California's cool Coastal region and from warm, sunny sites in Lodi. It's a match made in wine-drinking heaven, with fresh, flirty flavors balanced by soft tannins. To preserve all of our Merlot's loveliest qualities, winemakers ferment the wine in stainless steel and age it briefly in oak. The delicious result is one happy marriage, even if we do say so ourselves.

Tasting Notes

With its alluring aromas and lush flavors, Ménéage à Trois Merlot reminds you of what it's like to fall in love. Ripe blackberries and juicy black cherries flirt with smoky spices and sweet vanilla in a deliriously delicious way, wrapping you up in a silky-smooth embrace. It's the perfect wine to add a spark to date night, and it knows just how to romance a roast chicken or a cheeseburger. Love me do, indeed.

ALCOHOL: 13.70%

TA: 0.58 g/100ml
