

# An Innovative and Unique Range of Australian Flavoured Cream Cheese

## 120g Flavoured Cream Cheese

Moondarra, an indigenous Koori word and the name of a rich, lush pastoral region of Gippsland - Australia, renowned for the quality and variety of its dairy products. And like our namesake, Moondarra Cheese is also widely acclaimed for the high quality, innovative and unique range of flavoured cheese we produce.

Quite simply, it's the freshest ingredients combined with our unique method of processing that we think, makes Moondarra flavoured cheese the best you'll ever taste.

Our products are all vacuum sealed to maintain freshness and feature easy peel opening. They are sold throughout Australia and exported globally to destinations such as Japan, USA, S.E. Asia, Korea and Russia.

### Shelf Life

8 months from production.
