

BEER BARREL BOURBON

BEER BARREL BOURBON

ABOUT

Beer Barrel Bourbon is first aged in new American oak barrels for several years, before a three month beer-y slumber. The beer-barrel aging lends biscuity notes and a smooth malt character to the robust whiskey tones of toffee and caramel.

PROOF 80 BOTTLE 750ML

BASE/WASH

Blend Of Corn, Barley And Rye; Fermented In-house.

TASTING NOTES

The beer-barrel aging lends biscuity notes and a smooth malt character to the robust whiskey tones of toffee and caramel.

TECHNIQUES

Twice distilled and matured in 53-gallon new American oak barrels, and finished in spent Dragon's Milk barrels for 90 days. Non-chill filtered and bottled at 80 proof.
