# ONEHOPE

## CALIFORNIA SAUVIGNON

### TASTING NOTES

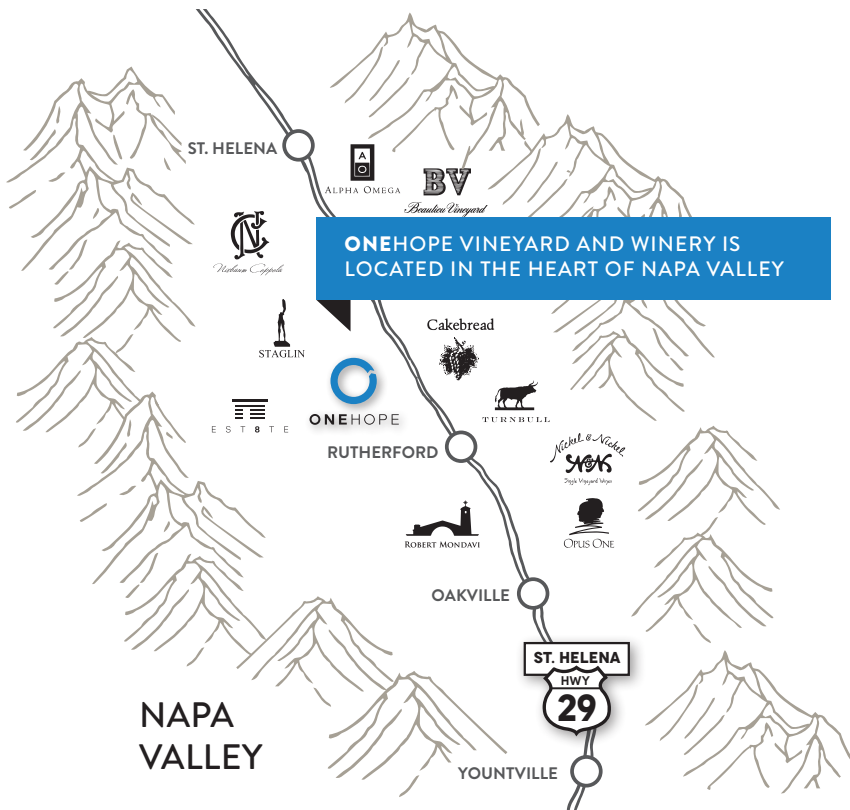

The **ONEHOPE** Cabernet Sauvignon is dark and inky in color, with aromas of black currants, black raspberries, anise and tobacco up front. Hints of violets and graphite add to the complexity of the wine, which coats your palate with soft, silky tannins and berry fruit on its way to a long, sumptuous finish.

TIMELY AND INTENSIVE ABA THERAPY HAS AN **80-90%** CHANCE OF SHOWING SIGNIFICANT IMPROVEMENT IN CHILDREN WITH AUTISM.

EVERY 10 CASES FUNDS **1 CHILD** WITH AUTISM WITH BEHAVIORAL THERAPY
