

ROSATELLO

ROSSO

Rosatello wines are light, fruity, and perfectly sweet with just the right amount of bubbles. Rosatello wines make any moment colorful.

OUR WINEMAKING TECHNIQUES

We make Rosatello wines from grapes that grow in the sun-drenched vineyards of Italy. To make sure our wines have a perfect balance of sweetness and bright acidity, we cold ferment the grapes *charmat* style in pressurized stainless steel tanks to preserve the fresh-from-the-vineyard fruit flavors. This also maintains the wine's natural effervescence. The result is a vibrant, refreshing glass of wine that is lusciously sweet and easy to drink.

TASTING NOTES

This lush and sweet red wine first invites you in with aromas of honeyed fruit and a hint of rose petals. Then delicious flavors of raspberries, blueberries, and red currants sweep you away. We recommend chilling this refreshing semi-sparkling wine before enjoying.
