BEER STORY

Our head brewmaster, Keith Villa, got the idea for this refreshing, summer beer from spending time on the beaches in Puerto Vallarta, Mazatlan and Cancun and wanting a beer that was refreshing with a taste of ripe mangos. The fruit vendors would bring freshly cut mangos and put them on a stick to enjoy in the sunshine. This wheat beer is created with mango and a hint of honey for a mild sweetness with a bright yellow-orange color and cloudy wheat haze.
