#Choklat

The Popol Vuh, the sacred book of the Maya, unfolds a complex web of mystery around a beverage known as xocoatl. We're not surprised that ancient hieroglyphs depict chocolate being poured for rulers & gods. **Cacao** is a mystical bean. **Choklat is every bit a dessert beer**, encompassing the complexity of the **darkest, bittersweet candy** together with that of the original frothy beverage. We combine the finest ingredients to tempt your senses & renew the power & interrelation of **history in every glass**.
