MARRY ME™

CALIFORNIA ROSE

The Palace of Fine Arts in San Francisco has been a headline venue for hundreds of weddings, creating unforgettable memories. Our song Marry Me has serenaded many of these weddings and now can be enjoyed at every wedding with this exquisite California Rose. Marry Me Rose is made from premium California grapes. It's fruity aromatics marry with savory strawberries, cherries and delicate citrus notes that pair perfectly with Salade Nicosia, grilled fish and chicken. When you taste it you will want to get married all over again.. or maybe even try again. Here's to love!

Cheers,

Dat, Jimmy and Train
