

Kerrygold Skellig Cheese

FEATURES

A rich and tangy sweet Cheddar. This cheese is crumbly, savory and has a lovely butterscotch like sweetness.

Made with milk from grass-fed cows

No added growth hormones or antibiotics

Clean ingredient deck (pasteurized milk, salt, cheese cultures, enzymes)

BENEFITS

Kerrygold Skellig delivers an exceptional, unique flavor consumers are seeking. It's ideal for cooking, making cheese sauces, or taking center stage on a cheese board.

Our milk is rich in beta-carotene, giving Blarney Castle its rich, natural, golden color and creamy texture

The ingredients used to make Kerrygold butter and cheeses are all natural, and are trusted by our consumers

Skellig is a healthy snack and a good source of protein, with a protein daily value of 15%, and it's gluten free

Pairs with Terlato, Pinot Grigio, Sauvignon Blanc
