

Terlato Pinot Grigio Friuli

The Friuli Colli Orientali region in Northeastern Italy is ideal for creating this elegant terroir driven wine with more flavor and a crisp finish. The Terlato Vineyards Pinot Grigio is 100% Estate grown, farmed in small blocks, each with different soil compositions and expositions, with low yields and handcrafted winemaking.

Aroma: Bright aromas of white peach, pear and spring flowers

Taste: Complex and layered with ripe peach, apricot, and pear, a mouthfilling texture and crisp mineral finish
