

Traveler Fall Portfolio

TASTING NOTES

Our take on a classic European Shandy that has been brewed for generations. We started with an American craft shandy, which delivers a crisp, light body. We then added real lemon and just a touch of lime to bring out a bright, juicy citrus aroma and flavor. Simply, the Curious Traveler is **"Quite a Refresher!"**

TASTING NOTES

The Illusive Traveler is a deceptively delicious wheat beer made with real grapefruit. This refreshing elixir delivers a satisfying citrus aroma and flavor then quickly disappears, leaving you searching for another. **"Was that the Illusive Traveler?"**

TASTING NOTES

Jack-O Traveler is an alluring shandy illuminated by the tastes of fall. He strikes a perfect balance between bright refreshment and seasonal spice. Jack is made with fresh pumpkin, for a delicious, dark-hued, Shandy-inspired beer. Representing **"the darker side of shandy."**
