2012 VALLEY OAKS CABERNET SAUVIGNON

REBELS SINCE 1968

In 1968, with rebellion in the air, Barney Fetzer started a revolution of his own. Through creativity, passion and lots of hard work, he blazed a trail to sustainability. His philosophy was simple - earth friendly grapes are better grapes, and better grapes make better wine. It wasn't easy to buck a century of tradition and inspire an entire industry to change, but doing the right thing seldom is.

NOTES ON THE WINE

This Cabernet Sauvignon is complex with various layers of spice and flavors. On the nose you will find enticing aromas of black cherry, blackberry and vanilla, with evident spice from the oak and a hint of herbs. Tasting delivers a multi-layered wine with textures of ripe blackberry, mocha, toffee and vanilla. Medium-firm tannins provide structure and balance to this medium bodied Cabernet Sauvignon, which will continue to evolve in the bottle.
