

The origins of GREY GOOSE lie in France.

For centuries the most respected experts in spirits distillation have practiced their craft in the region, which is renowned for its luxury foods, wines and spirits.

Discerning Taste

"Even with today's advances in technology, there is no machine capable of replicating the human qualities intrinsic to the creation of GREY GOOSE." - François Thibault Each batch of GREY GOOSE Vodka undergoes more than 550 daily quality control checks including-most importantly-personal tasting and approval by François Thibault.
