MARLBOROUGH, NEW ZEALAND

VINIFICATION

Our Nobilo Regional Collection Sauvignon Blanc represents the best of what New Zealand has to offer, with classic flavours that consistently showcase the diverse qualities of our Marlborough vineyards, year after year.

Grapes were selected from a wide variety of our Awatere and Wairau vineyards in Marlborough to ensure a complex and harmonious flavour profile.

The grapes were harvested at night when temperatures are cool to preserve their vibrant fruit flavours, and then pressed immediately with minimal skin contact into stainless steel tanks. A long, slow fermentation was carried out at cool temperatures using various yeast strains to lend complexity and enhance fruit expression. Each vineyard block was kept separate throughout the various stages of the winemaking process, allowing different parcels to blend into Nobilo's signature style.

COLOUR

Light straw with hints of green.

AROMA

Herbaceous notes of freshly cut grass along with lifted pineapple, melon, passionfruit, and hints of grapefruit.

PALATE

Fresh and crisp with zesty flavours of ripe tropical fruits, especially passionfruit and pineapple. The wine has flinty minerality, juicy acidity, and a generous finish.

FOOD PAIRING

Enjoyable on its own as an apéritif or with lemon herb chicken, summer salads, or lighter seafood dishes.
