

SIERRA NEVADA BREWING Co.

PALE ALE

Climbing in the Sierras
Ken Groseman c. 1976

Inspired by the nearby Sierra Nevada mountains, we created a unique beer highlighting the bold flavors and piney-citrus aromas of whole-cone Cascade hops. Today, our all-natural, bottle-conditioned Pale Ale is recognized worldwide as a classic.

Pale Ale is a medium-bodied beer packed with flavor and complexity from the use of premium malt and whole-cone Cascade hops. It has a bright, flowery, and citrus flavor balanced by a toasted and slightly sweet malt body. The aroma is big and fragrant in what has become known as the "Sierra Nevada style."

Alcohol by Volume: 5.6%
Original Gravity: 13.1 Plato
Final Gravity: 2.8 Plato
Bitterness Units: 38 IBU

Color: Amber
Bittering Hops: Perle
Aroma Hops: Cascade
