MADE IN OREGON

BRINGING OREGON TO YOUR TABLE

Kings Ridge wines are the heart of Union Wine Company. Kings Ridge Pinot Noir is an intense and distinctive wine that brings to life the vibrant complexity inherent in the wines of the Willamette Valley. Our ability to incorporate grapes grown solely in the Willamette Valley growing region of Oregon gives Kings Ridge wines their north star.

The 2014 vintage started off warm, bud break was early, and vineyards went through flowering under ideal conditions. Warm, dry conditions persisted throughout the season and resulted in the warmest summer on record. The unusually warm weather continued into the harvest window as we began to pick under optimal conditions. This was a rare year as both quality and quantity of fruit was very high. The resulting wines are showy with ripe fruit flavors and great concentration.
