

AWARDED GOLD
BY SAN FRANCISCO WORLD SPIRITS COMPETITION
92 POINTS
BY THE BEVERAGE TESTING INSTITUTE

The finest seville orange marmalade is distilled with award winning chase vodka in their bespoke copper pot still.

It is then distilled a fourth time with the vapour passing through fresh orange peel, to create this complicated and totally natural orange experience.

The finished spirit is clear with a golden hue. Strong orange zest on the nose with a naturally rich bitter-sweet flavour.

Instant breakfast martini.

Gluten free.
