

# CIDER CASK FINISHED VIRGINIA - HIGHLAND WHISKY

Introducing Virginia Distillery Company's Fall Release, Cider Cask Finished Virginia-Highland Whisky.

This seasonal release features finishing casks sourced primarily from Virginia cideries such as Potter's Craft Cider and Buskey Cider. The whisky, made from 100% malted barley, spent an additional 8 to 20 months in these casks. This process imparts flavor and nuance from the originating barrels, showing the cider influence through notes of apple, pecan and vanilla.

Cider Cask Finished Virginia-Highland Whisky is the perfect complement to the Fall season.
