THE KROMBACHER BRAND DNA

- **Felsquellwasser®.** (natural brewing water, which does not need to be treated or have anything added - pureness & perfect brewing fit)
- **Natural Brewing Process.** (the use of all-natural ingredients and brewing in line with the german purity law)
- **Superior yeast management.** (single yeast usage guarantees the highest quality and full flavoured beer)

Krombacher is the authentically natural premium beer with superior taste.

- **Brewed at source.** (every drop of Krombacher beer is brewed in Krombach, guaranteeing exeptional quality standards every minute of every day)
- **German Family Brewers since 1803.** (The Krombacher owner family is passionate about producing quality beer through sustainable practices)
- **Respect for nature & people.** (Sustainability isn't a marketing tool but real caring, i.e. already today Krombacher needs <3L water/L beer)

Quality & Sustainability have been ingrained in the Krombacher's family DNA for generations.
