

BIG WAVE[®]

Golden Ale

Liquid Aloha[®]

The waves in Hawaii are legendary. In the winter months, the island's north and west coasts see big waves that often climb to 40 feet, with huge curls of white water breaking just off shore. This is just one reason why surfers, body boards, paddlers, and those of us just willing to watch from the beach make this pilgrimage.

Our brewers wanted to make a beer that went down easy after a day out on the water. Big Wave Golden Ale is just the ticket.

Big Wave is a lighter bodied golden ale with a tropical hop aroma and flavor - a smooth, easy drinking refreshing ale.

The use of caramel malt contributes to the golden hue of this beer and our special blend of hops provides a bright quenching finish.
