BUBBLE STASH™

INDIA PALE ALE

Our brewers reached into their secret stash of Mosaic Cryo Hop™ resin to create a tropical dankness in this new age IPA. Cryo Hops™ are a perfect example of science and technology enlivening the hop industry, driving new ways to implement hop flavors and aromas to the beers we love to brew.

Bubble Stash is brewed exclusively with late addition Mosaic Cryo Hops™, bringing a touch of resin and escalating Mosaic's natural blueberry, tangerine, and stone fruit characteristics to new altitudes.

So, drink, drink, pass the Stash!
