Lemonade

OLD FASHIONED

## OUR HOUSE IS YOUR HOUSE

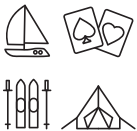

House Wine was inspired by Europe's easy-to-enjoy, unfussy everyday table wines that bring people together. We wanted to offer delicious, quality wines, with an iconic and bold label, that offer that same easygoing sensibility - a House pour for all! We live life in full color and thrive on adventure. We aren't afraid to color outside the lines, or stand up for what we believe in, because everyone's welcome in our house!

## TASTING NOTE

**ZESTY, SWEET & REFRESHING** - Sweet citrus aromas, lead to thirst-quenching and refreshing flavors of freshly squeezed Meyer lemons balanced with a touch of tartness. Our House Lemonade pair best with spicy food, picnic dishes and backyard games on a warm summer day.

9% ABV | Wine-Based | All-Natural Flavors  
No Artificial Sweeteners | 100% Recyclable
