CRANBERRY COSMO

OUR HOUSE IS YOUR HOUSE

House Wine was inspired by Europe's easy-to-enjoy, unfussy everyday table wines that bring people together. We wanted to offer delicious, quality wines, with an iconic and bold label, that offer that same easygoing sensibility - a House pour for all! We live life in full color and thrive on adventure. We aren't afraid to color outside the lines, or stand up for what we believe in, because everyone's welcome in our house!

TASTING NOTE

BRIGHT, TART & FLAVORFUL - Aromas of freshly cooked cranberries in citrus, lead to zesty flavors of lime, ripe orange and bright, tart cranberries. Crisp, refreshing and flavorful ready-to-drink wine cocktail for all year round. Our House Cranberry Cosmo pairs best with brie covered crackers, turkey sandwiches and carefree nights under the city lights.

9% ABV | Wine-Based | All-Natural Flavors
No Artificial Sweeteners | 100% Recyclable
